[Intel Gt1 Gt2 Display Driver Download](#)

[Intel Gt1 Gt2 Display Driver Download](#)

With and without the latest drivers the actual effect depends but in our testing we experienced no crashes and in some older games a 5per cent to 10per cent increase in frames per second (FPS) making various 2D and 3D games run more smoothly.

1. [intel display driver](#)
2. [intel display driver for windows 10 64 bit](#)
3. [intel display driver windows 7](#)

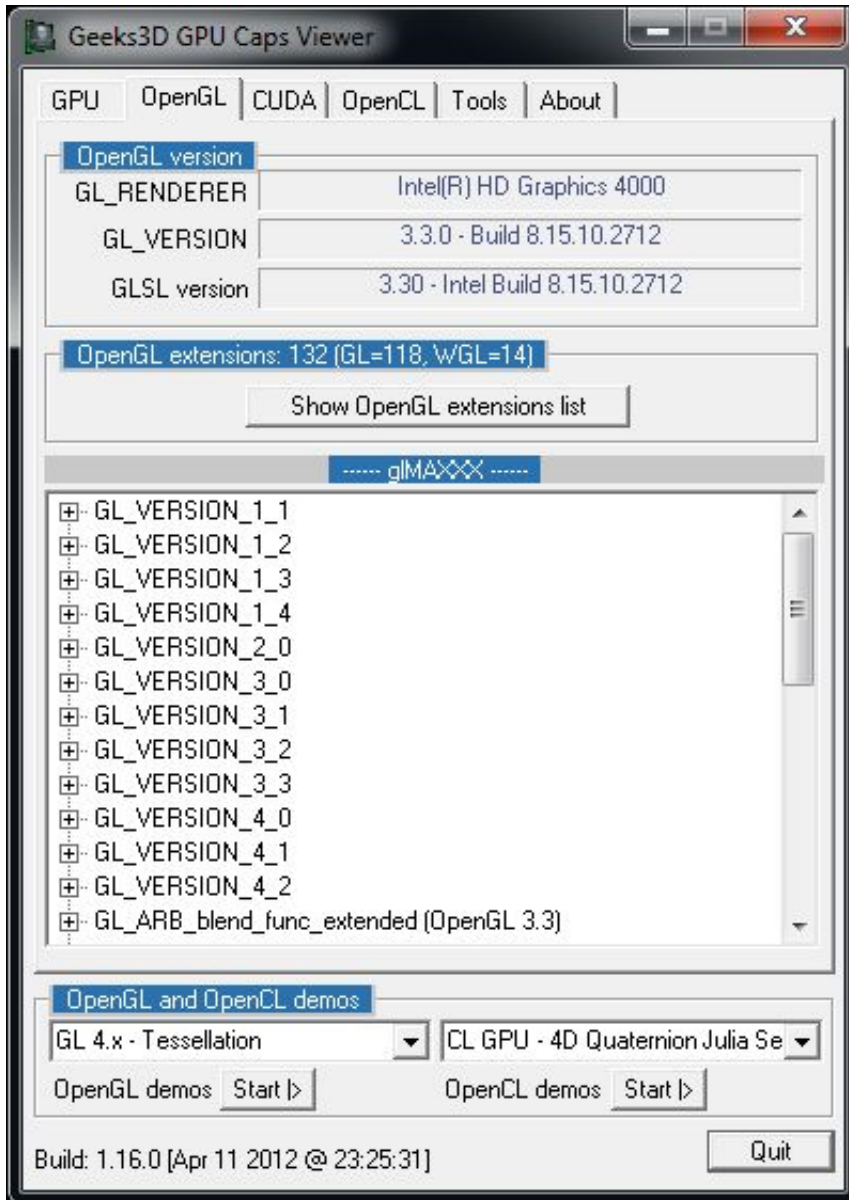

But the effect is frankly small The drivers are updated frequently and keeping on top of the latest versions is a little cumbersome but important for ensuring that you get the most benefit from your graphics drivers.. (Please remember to honor your company's IT policies before installing new software!) •••••
